Dear Ms. Simpson:

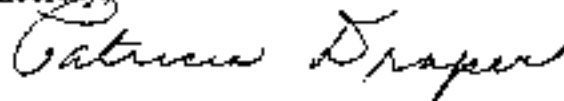

Enclosed please find an amendment to the above referenced report.

As you can see, due to a scrivener's error on the above referenced report, items A & B on Schedule A "Offsets to operating Expenditures" for Line 14 were mis-designated. Instead of being designated as the "Special" election cycle, they should have been designated for the "convention" election cycle.

Attached please find a new Schedule A making the appropriate correction.

Please let me know if you have any questions.

Sincerely,

Patricia Draper, Treasurer
